Respondents.

The Administrative Law Judge in this case entered a procedural order on September 15, 2004, in which he, in part, stated that he would schedule a prehearing conference in this matter as soon as counsel for Respondent Syndicated Gold Depository S.A. ("SGD") filed evidence of admission pro hac vice for its out-of-state counsel. SGD is filing a notice of appearance by Arizona counsel and thus usually at this time a prehearing conference would be set. However, the Securities Division and SGD are discussing possible resolution of the case against SGD. Therefore, the parties request that a prehearing conference not be scheduled at this time. If the parties are unable to resolve this matter, they will ask the Administrative Law Judge to schedule a prehearing conference in order to set this matter for hearing.
